About Us

Valma has been breeding Poll Hereford cattle since 1956. In 2012 we held our 43rd on property sale, since that time we have been selling bulls privately.

In 2020 Valma & Nova purchased Yarawa South Paradise P112 at the Wodonga National show and sale for the Top price of \$55,000. Paradise has bred exceptionally well for both studs, producing calves that are very commercially focused. His females are soft and easy doing, displaying great carcass qualities while remaining feminine. We have been particularly impressed with the structure, feet and temperament of his progeny.

We are very proud of the line up of cattle in this sale and we believe there is a bull in this sale to suit every need.

Nova Poll Herefords was established in 1995 with a Valma cow and additional cows were purchased from the top Valma female families. The last 12 years we have also purchased top females from Mawarra, Merawah and Bowen Studs. In 2021 we purchased the top priced female at Merawah for \$18,000, in 2022 we purchased a heifer at Bowen for \$18,000 then at Mawarra purchased a cow for \$10,000. All were selected as they came from their top cow families.

Over the years we have used the best Bulls available from around the world using AI, and progeny of these bulls have won first prizes at both Wodonga and Dubbo National show and sales, and intermediate champion at Dubbo. Nova Saffron (owned in partnership with Valma) after winning intermediate champion, then was sold to Glendon Park Herefords for \$40,000. Stud and commercial bulls have been sold into King Island, Flinders Island, Victoria & NSW. We endeavor to breed sound structured, carcass bulls that will perform in your operation.

Buyers Info

Inspection: Bulls will be available for inspection from 11am on the morning of the sale, or can be arranged beforehand by appointment.

Lunch: Light lunch will be provided on the day.

Delivery: We offer free freight to Melbourne, King island & Flinders Island.

Health:

- All Bulls have tested negative for Pestivirus.
- Both studs have a J-Bas 6 status for Bovine Johnes Disease.
- Vaccinated 7 in 1.
- Semen tested in Feb 2024

All bulls have been raised on pasture with the addition of silage and hay during winter months and in preparation for the sale.

Breedplan: All bulls have been measured for a minimum of Birthweight, 200 & 400 day weights, scanned for EMA, IMF, Rib fat, Rump fat, scrotal measurements & Genomics.

Semen retention: Valma & Nova reserve the right to in the future collect semen in any bull catalogued. This will be for in herd use only & collected at the vendor's expense & the purchasers convenience.

Auctions Plus Helmsman system: Our bull sale is interfaced with the AuctionsPlus Helmsman system. When the sale commences, all sale lots are on the market simultaneously. You can bid on any lot, regardless of lot number. Remote and on-site bidding are available via computer, ipad or smartphone.
