## About Us

Valma has been breeding Poll Hereford cattle since 1956. In 2012 we held our 43rd on property sale, since that time we have been selling bulls privately.

In 2020 Valma & Nova purchased Yarawa South Paradise P112 at the Wodonga National show and sale for the Top price of \$55,000. Paradise has bred exceptionally well for both studs, producing calves that are very commercially focused.

His females are soft and easy doing, displaying great carcass qualities while remaining feminine. We have been particularly impressed with the structure, feet and temperament of his progeny.

In 2023 Valma & Vova purchased Talbalba Kingswood T011. He is a moderate, soft coated Bull with real depth and thickness. He's got a great balance of phenotype & EBV's.

## Buyers Info

**Inspection:** Bulls will be available for inspection from 11am on the morning of the sale, or can be arranged beforehand by appointment.

**Afternoon Tea** will be provided on the day.

**Delivery:** We offer free freight to Melbourne, King island & Flinders Island.

**Safety:** All sale bulls have been screened for temperament and are quiet to handle under normal circumstances, however visitors should use caution when entering cattle pens and do so at their own risk.

**Health:**

- All Bulls have tested negative for Pestivirus.
- Valma has J-Bas 6 status for Bovine Johnes Disease.
- Vaccinated 7 in 1.
- Semen tested in March 2026

All bulls have been raised on pasture with the addition of silage and hay during winter months and in preparation for the sale.

**Breedplan:** All bulls have been measured for a minimum of Birthweight, 200 & 400 day weights, scanned for EMA, IMF, Rib fat, Rump fat, scrotal measurements & Genomics.
